### In The News

#### States will have to account for climate change in clean-up plans

*(Bay Journal)*

States in the Chesapeake Bay watershed have agreed to write plans later this year that will acknowledge the extent to which climate change will require significantly more work in the future to clean up the Chesapeake Bay.

**Save the Oysters**  
(April 21, 2018)

RICHMOND, Va. (WRIC) – Want to be a part of restoring shells back to the Chesapeake Bay, on Earth Day? The Virginia Oyster Shell Recycling Program (VOSRP) is looking for volunteers that will help on Saturday, April 21, at the VCU Rice Rivers Center.

Volunteers will bag cured oyster shells. They will then be seeded with larval oysters and returned to the Chesapeake as part of the restoration program. They plan to have a shift from 9 a.m. to noon, and one from 1 p.m. to 4 p.m. Registration is required because space is limited.

Please RSVP to Cindy Andrews, VOSRP Richmond Region Coordinator, at [candrews@vcu.edu](mailto:candrews@vcu.edu). Cindy will send you the final details and direct you to the registration page.

Plan to wear appropriate work clothing and closed toed shoes. A light BBQ lunch will be provided.

### **James River Association Treeathlon** (May 19, 2018)

The James River Association, in partnership with the Robert E Lee and Thomas Jefferson Soil and Water Conservation Districts, will be planting 3,000 trees at farms along various tributaries of the James River this spring as part of the [James River Tree-athlon!](#) If you love our River, join us to protect the James by volunteering to help plant the native tree seedlings.

The plantings are at various properties within Albemarle, Amherst, and Nelson Counties. As a thank you to our volunteers, on May 19, 2018 we will host a James River Tree-Athlon Thank You Event at [James River Adventures](#) in Lynchburg. This fun day on the river will include lunch and a 6 mile paddle trip or 3 mile tubing trip. Each volunteer that participates in a tree planting day during James River Tree-Athlon will receive one voucher for a free river trip to be used at the event or at a later date.

## **Volunteer Opportunities**

### **Volunteer Opportunity** (Alliance for the Chesapeake Bay)

Are you interested in learning more about your local stream? The Alliance for the Chesapeake Bay needs volunteers to collect important data on streams in Virginia. Through the River Trends program we will provide training and supplies. All you have to do is commit to attending a training and monitoring a site once a month.

You'll be analyzing water to collect data on core parameters such as dissolved oxygen, temperature, pH, water clarity and bacteria. All of these test will be performed in the field using kits and equipment provided to you.

Next training date TBD. For more information, contact Amy Hagerdon at 804-793-8786 or [ahagerdon@allianceforthebay.org](mailto:ahagerdon@allianceforthebay.org).

## **Grant Opportunities**

### **Virginia Conservation Assistance Program** (Virginia Association of Soil and Water Conservation Districts)

This program provides incentive payments for several Best Management Practices such as rain gardens, cisterns, green roofs, and conservation landscaping. This program is now available to the entire Chesapeake Bay watershed.

See <http://vaswcd.org/vcap> for an overview or contact VCAP Coordinator Kevin Mclean at [kevin.mclean@vaswcd.org](mailto:kevin.mclean@vaswcd.org) for more information.
