### In The News

#### Paint Out Pollution! (Lynchburg, VA)

On April 21, 2018, the Middle James Round Table collaborated with the City of Lynchburg, the James River Association and Art on Wheels' Paint out Pollution Program to host a Storm Drain Art Project to remind the community to put "only rain down the drain" and to educate residents on how they can do their part to improve local water quality. Sixteen inlets were identified and stenciled with art emphasizing the importance of clean water down the drains and the connection to the Bay. A big thanks to all the volunteers that made this project possible! Aimed at increasing public awareness of stormwater pollution, the storm drain art celebrates the native plant and animal species that call the James River home. You can spot all sixteen around downtown Lynchburg.

### Upcoming Events

#### VMI 2018 STEM Education Conference (October 2-3, 2018)

Attendee registration and presentation proposals are now open for the 7th Annual 2018 VMI STEM Conference. For Attendee Registration, click [here](#). For Presentation Proposals, click [here](#).

#### 2018 Chesapeake Watershed Forum (November 2-4, 2018)

The Alliance for the Chesapeake Bay's 13th Annual Chesapeake Watershed Forum (held November 2-4, 2018 in Shepherdstown, WV) is a watershed-wide event reaching over 400 restoration and protection practitioners annual to inspire and empower local action towards clean water.

We do this by sharing successful tools and techniques, building the capacity of local organizations and governments, building partnerships, educating new initiatives, networking amongst each other, and celebrating our successes.

This year's theme, "Connecting Our Communities: Celebrating Diverse and Innovative Partnerships" was chosen so that we may celebrate the many diverse partnerships that have proven successful in the restoration and protection of the Chesapeake Bay and its watershed. We are especially interested in engaging, interactive learning sessions that highlight innovative partnerships, leading to success. Each track will incorporate one or more sessions that demonstrate partnering success.

For more information, click [here](#).

#### Teachers on the Estuary (TOTE)

(Various dates and locations)

This research and field-based training program aims to improve teachers' understanding of the environment using local research. The program also promotes the stewardship of watersheds and estuaries. TOTE workshops are a minimum of 15 contact hours, giving teachers the opportunity to: Explore coastal habitats and conduct field investigations; Interact with local scientists and experienced coastal educators; Integrate local and national monitoring data into the classroom; and Learn hands-on field activities highlighting the Estuaries 101 curriculum. Hosted by the National Estuarine Research Reserve System.

For more information, including dates, see <https://coast.noaa.gov/estuaries/teachers-on-the-estuary/>.

## Job Opportunities

### James River SWCD Employment Opportunities

We work with the people who work the land.

The Conservation Specialist is a full-time position and provides technical services related to soil and water conservation, within the counties of Prince George and Chesterfield. This position is under the supervision of the James River Soil & Water Conservation District District Administrator and Board of Directors. The conservation specialist provides support for the Virginia Agricultural Best Management Practices (BMP) Cost-Share and Tax Credit Program; they assist District, DCR and NRCS personnel with conservation farm and nutrient management planning; assisting with the equipment rental program; and assisting with district tours, exhibits and special projects. This position is based in the JRSWCD Prince George County Office (6380 Scott Memorial Park).

For the complete job description and link to the application visit <http://www.jamesriverswcd.org/>

Please submit the completed application and a cover letter to [bmorrin@princegeorgecountyva.gov](mailto:bmorrin@princegeorgecountyva.gov).

### Northern Neck SWCD Employment Opportunities

The Northern Neck Soil & Water Conservation District (NNSWCD), a political subdivision of the Commonwealth of Virginia, is seeking to fill two permanent full-time positions. Selected individuals will assist in fulfilling the District's mission of promoting the stewardship of natural resources through leadership, education, and technical assistance within Lancaster, Northumberland, Richmond, and Westmoreland Counties.

#### Conservation Specialist

Shall have a B.S. degree in agriculture/natural resources field or related experience. Certification as a Nutrient Management Planner must be obtained within a reasonable period of time taking into consideration the experience requirements established. Job responsibilities include, but are not limited to:

- Promoting, administering, and implementing the Virginia Agricultural Cost-Share Program;
- Identifying soil and water quality concerns within the District;
- Providing technical assistance to farmers, landowners, homeowners, citizen groups, partner agencies, local government, and non-governmental organizations.

Permanent full-time with maximum 40 hours/week. Salary Range: \$30,000 - \$60,000 based on qualifications; plus benefits

#### Non-Point Source Specialist

Shall have a B.S. degree or related experience in natural resources and/or grant writing. Certification as an E&S Plan Reviewer and/or Stormwater Management Plan Reviewer may be obtained within a reasonable period of time taking into consideration the experience requirements established and program funding availability. Job responsibilities include, but are not limited to:

- Assisting with the promotion/processing of nutrient, sediment, and stormwater reduction practices on all land in the Northern Neck;
- Seeking new funding opportunities;
- Providing administrative support and data management for NNSWCD programs.

Permanent full-time with maximum 40 hours/week. Salary Range: \$30,000 - \$60,000 based on qualifications; plus benefits

Complete Job Descriptions and fillable NNSWCD Employment Applications for each position are available at: [www.nnswcd.org/employment](http://www.nnswcd.org/employment). Submit cover letter, resume, and relevant NNSWCD Employment Application for each position by no later than 4:30PM on July 20, 2018. Email to: [kathy.clarke@nnswcd.org](mailto:kathy.clarke@nnswcd.org) Mail via postal service to: Northern Neck SWCD, Attn: District Managers P.O. Box 220 Warsaw, VA 22572.
