

MJRT Executive committee meeting minutes
July 24, 2018

Betty updated the committee on plans for location for the annual meeting and networking event afterwards. A representative from Goochland Parks and Recreation said that there was a scheduling conflict with the Eagle Auditorium at Central High School, for which Betty requested for the date of Oct. 24.

Betty had a Plan B, if there no resolution could be made for the Oct. 24 date. She requested advice on moving the meeting to Thur. Oct. 25. She had checked with Lisa Deardon, owner of ChiKNEgg Kitchen, who had been invited to bid on a networking event after the annual meeting. Lisa is still available on Oct. 25.

Both Lorne and Chris are in agreement to move the meeting to Oct. 25. Goochland Parks and Rec advised that the meeting room was needed for Oct. 24. Betty revised her request to reserve for Oct. 25 and passed the information on to Lisa.

Liz is out of work on extended leave at this time.
