#### Celebrate James River Week with The Great Return of the Atlantic Sturgeon

(RVA Hub)

The James River Association (JRA) is once again providing a unique way to celebrate James River Week by offering their beloved event, "The Great Return of the Atlantic Sturgeon". This year's event will feature an extended series of sturgeon viewing trips through JRA's Connect with the James programs that will allow the public an opportunity to get on the water and learn about the Atlantic sturgeon, specifically in relation to the James River.

The Middle James Roundtable is a collaborative effort among various stakeholders in the Middle James watershed to improve water quality and the overall health of our communities. The Roundtable is seeking stakeholders including elected officials, local government staff, the agricultural community, planning district commissions, business and industry, water and sewer utilities, commercial fishermen, soil and water conservation districts, developers, interested citizens, environmental groups, tourism and recreational groups, state and federal agency staff and public service authorities to join our steering committee. If you would like to join us, please contact Lorne Field at [FieldL@chesterfield.gov](mailto:FieldL@chesterfield.gov) to be added to the new member ballot. New members will be voted in at our Annual Watershed Conference on September 18th, 2020.
