In The News

James River Watch *(James River Association)*

Volunteers along the James River post water monitoring information during the summer. Includes river alerts, Virginia Department of Health beach alerts, and fish alerts.

To see a map of the James River watershed with the latest reported conditions for boating, fishing, and swimming, visit <http://www.jamesriverwatch.org>.

VIMS Report Offers Mixed News on James River Kepone *(William & Mary News)*

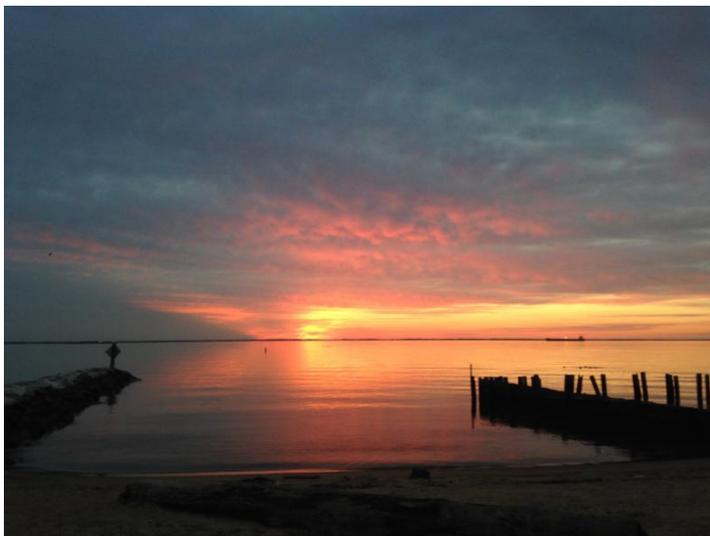

Traces of toxic chemical remain four decades after spill.

A recent report from William & Mary's Virginia Institute of Marine Science offers mixed news concerning the persistent issue of Kepone contamination in the James River. The good news is that about a third of fish samples from the James contain no detectable trace of this now-banned pesticide; the troubling news is that two-thirds still do - more than 40 years after its discharge into the river was first reported.

McAuliffe, bay leaders unite against Trump's plan to de-fund Bay Cleanup

(Daily Press)

Gov. Terry McAuliffe joined with leaders from all other Chesapeake Bay jurisdictions as they dug in their heels again President Donald Trump's continuing efforts to de-fund bay cleanup.

At their meeting Thursday in Annapolis, MD, members of the Chesapeake Executive Council voted unanimously on a resolution urging Trump and Congress to keep funding the Chesapeake Bay Program, a regional partnership that's been working since 1983 to restore the estuary.

Upcoming Events

James River Rundown

(June 24-25, 2017)

The James River Rundown is a series of canoe, kayak, and SUP races running through the heart of Virginia on the scenic James River. Competitors race through weather, natural features, and fatigue to reach the finish line at Goochland County's Tucker Park. The James River Association is organizing a two-day 120-mile race, 50-mile race, 25-mile race, and a 5-mile fun float this year.

Public Meeting and Comment Period: Amendments to the WQMP for the James River Basin

(Public Comment Period: June 12-July 12, 2017)

(Public Meeting: June 28, 2017)

Public Meeting: June 28, 2017 (10am) - DEQ Office, 629 East Main Street, Richmond, VA – The State Water Control Board is seeking written and oral comments from interested parties on amendments to the Water Quality Management Planning Regulation (WQMP) for the James River Basin nitrogen and phosphorus waste load allocations to restore the Chesapeake Bay and its tidal rivers (9VAC25-720-60 C). For more information, see <http://townhall.virginia.gov/ViewNotice.cfm?GNID=712>. Direct comments and questions to William Norris at william.norris@deq.virginia.gov.

Films On The Floodwall

(September 13, 2017)

Submit a film to be screened at Films on the Floodwall! Films on the Floodwall is a free community film screening organized by the James River Advisory Council, James River Outdoor Coalition, and James River

Association during James River Week in September. The event is held at Diversity Park in the James River Park System and films are projected onto the floodwall. Local filmmakers are encouraged to submit original films to be screened at the event.
